About me

I am an aspiring architect with a diverse background across multiple market sectors, particularly community driven & residential projects. I am always eager to learn and contribute to projects with my enthusiasm and energy. With my academic background, design skills, and teamwork experience, I aim to be a valuable addition to the team. I am a trained dancer and enjoy natural scenic views during hiking.

BIM + 3D Modelling:
Revit, AutoCAD, Sketchup

Graphics + Renderings:
Adobe Suite, Lumion

Other:
Microsoft Office Suite, Bluebeam

Building Analysis: COMCheck

Education

Master of Architecture

University of Illinois at Urbana-Champaign, 2023

Bachelor of Architecture

Anant Institute of Architecture, 2020

Professional Experience

Architectural Designer

2023 - Present

Streamline Architects

Residential

- Design and documentation of various multi-family projects, including one with 67 apartment units in Moline, IL. Tasks include managing project from designing to city permitting, and compliance with Moline's *Form Based Code*.

Educational

- Documented existing buildings conditions and conducted 10 Year Health Life Safety Survey of two buildings for Black Hawk Area Educational School District in Quad Cities.
- Worked on a couple of interior renovation projects to ensure design stays within grant funded budget as well as provided specifications for both BHASED Center and Phoenix Center.

Community

- Led a design project with the City of *East Moline* for *Facade Improvements* of 85 buildings. Met with property owners to successfully integrate their ideas, created design solutions and renderings along with presenting in the city council meetings.

Architectural Intern

May - August, 2022

BLDD Architects

- Designed and rendered a cafeteria space for a church project.
- Collaborated with an Architect to create presentation drawings and construction details for a couple of community projects.
