Objective

Aspiring production professional with hands on experience in live broadcasts, video editing, and audio production. Experienced in working in a fast paced environment and creating engaging content for live and digital audiences, with a strong interest in storytelling and media production.

Work Experience

Digital Media Intern

Illinois Mathematics and Science Academy, Aurora, IL | Summer 2024

- Contributed to planning and execution of video content for institutional communication
- Produced and edited visual content including senior portraits
- Edited digital media content using Adobe Premiere Pro and Lightroom
- Assisted in on site production logistics and setup
- Supported production setup for large scale events (IMSA graduation)

News Production Team

WEIU Television, Eastern Illinois University | November 2024 – Present

- Operate audio board during live broadcasts, ensuring clean and balanced sound under real-time pressure
- Assist in capturing and preparing video content for broadcast segments
- Edit packages and b-roll for live newscasts
- Operate studio camera for live evening broadcasts
- Manage teleprompter timing and script flow during live production
- Collaborate with producers and crew to execute smooth, time-sensitive broadcasts

On-Air Talent

Hit Mix 88.9 WEIU Radio, Eastern Illinois University | September 2023 – Present

- Host live radio broadcasts, delivering sports updates, news, and entertainment content
- Produce and edit audio updates to broadcast on the radio throughout the day
- Write and record original audio segments for specialty shows
- Operate soundboard and manage live audio production
- Operate the audio board for EIU basketball broadcasts
- Promote fundraising initiatives through on-air storytelling and audience engagement
